# Our Story...

**Sanford Brewing Company (SBC)** opened in October 2016, the unexpected result of attending a Home Brewer's class. That experience inspired the passion you taste in all our delicious beers. We are a family-owned business with locations in Sanford and Maitland. Brewing on a 15 & 3 barrel system on site in Sanford, we have made over 60 different beers & seltzers in a restored historic 1930's building. Sanford has 24 rotating taps and Maitland has 12.

We are extremely proud to have won a Great American Beer Festival (GABF) Gold Metal in 2020 for our Miss Cleo. Specializing in approachable craft beer without attitude, our beers tell mostly true stories, from a thieving wiener dog to popular local landmarks. We proudly support the local arts, charities, history, neighbors and business community. Families and fur-babies are always welcome.

**Cheers to you, our guest!** Now sit back, grab a beer and stay a while. Enjoy the southern hospitality of SBC! Your local spot for good food and great beer.
